Auctioneer: - William Probert

A short entry met a very strong demand despite the entry being mostly dominated by native bred sorts. Continentals peaked at £2041 or 295ppkg for a well finished Charolais x heifer from DM & CS Andrews. A cracking run of Aberdeen Angus x steers from B R Davies met a flying trade topping 286ppkg. Another run of well fleshed Aberdeen Angus x steers from J Howells met a brilliant trade with the entire run averaging £1770. Again with the national shortage more finished cattle are required week on week to meet the ever-growing demand.
