A similar entry met another strong trade. The entry was highly variable with better sorts up to 430ppkg but some plain types sold from 300p – 320ppkg. Many more could have easily been sold to meet the demand from buyers.

1.121 Lambs (Sale 9.00am)

Auctioneer: - Richard Williams

A slightly reduced entry met a much better trade than expected. Averages for the end of last week were well below 300ppkg so our overall average of 307ppkg was great news. Better lambs sold particularly well up to 339ppkg and we saw heavier lambs also selling well up to £175. The overall average was £135/head which was up on last year's average of £130/head. Many more lambs could have easily been sold to advantage.

Overall average price of lambs £135/head - 44kg - SQQ - 307ppkg
