

STORE CATTLE SALE

Thursday 12th March

The first Store Cattle Sale of March at Ross Auction Market opened in flying form, with an outstanding trade throughout and a top price of **£2020** achieved for steers from **Messrs AH & JK Samuel**

The entry was mixed in quality, ranging from strong weanlings through to over-age, un-assured dairy-bred steers and heifers. Nevertheless, demand remained buoyant for all classes, with buyers keen to secure quality cattle.

Angus x steers were a standout feature, peaking at **£1,780** for 12 month old steers (**445p/kg**), from F I Bevan & Son with numerous well-bred Continental steers selling between **440p/kg** and **490p/kg**.

A large entry of BBx steers (dairy bred) saw 10-month-old BBx steers sell to **£1,440 (440ppkg)** while a run of 12-month-old Friesian x steers reached **£1,000** from **Messrs Duffield & Duncan**.

A nice run of stronger BBx steers from **Messrs AH & JK Samuel** sold to **£2020, £1920, £1860** and **£1780**.

Angus x heifers topped at **£1,820** for an entry of heifers from **Sexty Bros**.

More cattle could easily have been sold to this flying trade.

Next Sale: - Thursday 26th March 2026

With strong demand shown in all classes of store cattle, vendors are encouraged to contact the market team to enter cattle for the next catalogue sale. Please feel free to speak to a member of the market team to discuss marketing your cattle to best advantage.
