

FOOD CHAIN INFORMATION FOR CATTLE
LISTED OVERLEAF

The holding is/is not* under movement restriction for bovine tuberculosis (TB) (* delete one).

Cattle on the holding are not under movement restrictions for other animal disease of public health reasons (excluding a 6 day standstill).

Withdrawal periods have been observed for all veterinary medicines and other treatments administered to the animals while on this holding and previous holdings.

To the best of my knowledge the animals are not showing any signs of any disease or condition that may affect the safety of meat derived from them, nor, again to the best of my knowledge, are they cloned or the progeny of a cloned animal.

No analysis of samples taken from animals on the holding or other samples has shown that the animals in this consignment may have been exposed to any disease or condition that may affect the safety of meat or to substances likely to result in residues of meat.

I will abide at all times with the Conditions of the Animal Gathering Order (2002) including all bio-security measures as described by the market operator.

The Movement complies with the relevant general licence.

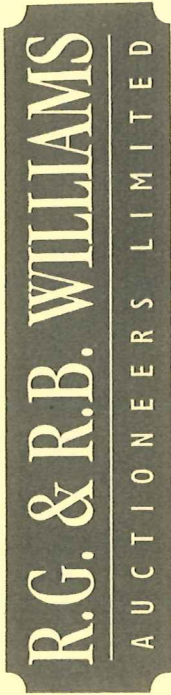

I hereby declare that I am the owner/owners agent of the animal(s) listed overleaf and that to the best of my knowledge, the particulars shown on this form are true and complete.

If the animals to do not fulfil all the above statements tick the box and provide additional information.
